*"This class went beyond my expectations. Not only was I able to learn how to put structure around my marketing and sales activities so that they were consistent and effective, I learned which personal behaviors were getting in the way of accomplishing my goals. This was a high value class providing an excellent return on my investment." - Kathryn Neal-Odell, CEO, Sales-Onsite, Business Development Services*

*I decided to... take the GET CLIENTS NOW! program due to the downturn in the real estate market. The program has helped me figure out where I am stuck and helped me develop a concrete plan to overcome the obstacles I face... I feel a real sense of expectation around generating new business even in a slow economy. I know that if I follow the program I will succeed."*
